FOR IMMEDIATE RELEASE

UPDATE #13###

FINAL WORK FOR SLIPOUT REPAIR IN BROOKDALE RESULTS IN SEVERAL LANE CLOSURES DURING THE WEEKS OF AUG. 27th AND SEPT. 3rd.

SANTA CRUZ COUNTY– Caltrans is conducting lane closures on Hwy. 9 at the Brookdale slip-out (near the Brookdale Inn) to complete the asphalt concrete (AC) and deck grinding on Monday, Aug. 27 and Tuesday, Aug. 28 from 9 am to 5 pm.

Please expect 30-minute delays for this work. Striping and final site cleanup will occur during the weeks of Sept. 3rd and Sept. 10th; dates and shifts are not yet finalized, however the duration of work and delays will be minimal.

The purpose of this construction project is to repair the slip out from last winter by constructing a soldier pile wall and side hill viaduct. The first phase and second phases of the project to build the viaduct structure have been completed. The final phase of the project will include paving, striping, deck grinding and temporary signal removal, and is estimated to be complete by the beginning of September.

Electronic message boards and signs will be posted to alert motorists of this roadwork. The contractor for this \$4,000,000 construction project is Gordon Ball Construction of Concord, CA. This project is expected to be complete in the beginning of September.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For more information on this project and for traffic updates on other Caltrans projects in Santa Cruz County, residents can call the District 5 toll free number at 1-831-423-0396 or can visit our website at: <http://www.dot.ca.gov/dist05/paffairs/release.htm#scr>
